

To our valued customers,

We hope that this letter finds you and your family safe and healthy during these times of uncertainty.

Per the Governor's Executive Order, Ross Hill Park will not be open to transient customers prior to May 20th 2020. This date could change as we move forward.

At this time, entrance to the park is strictly prohibited! This includes parking and walking in. We are all facing adjustments in our daily lives.

We ask that upon opening, everyone continue to adhere to the Governor's guidelines with regards to social distancing, we also ask that anyone with symptoms to not enter the park.

Thank you,

Greg, Trent, Abbi and Ross Hill Park Staff
